TITLE: PLANT SU1 HOMOLOGS

PETITION TO REVIVE

Assistant Commissioner for Patents
Box PCT
Washington, D.C. 20231

It is respectfully requested that the above-named application, now abandoned, be revived pursuant to 37 CFR 1.137(b) as a pending application.

COPIES OF A TRANSMITTAL LETTER TO THE UNITED STATES DESIGNATED/ELECTED OFFICE (DO/EO/US) CONCERNING A FILING UNDER 35 U.S.C. 371 (the transmittal letter) along with various items listed therein (including a Declaration and Power of Attorney of the inventor) are submitted herewith. The transmittal letter authorizes payment of the U.S. national fee, as well as the surcharge for filing a declaration later than 20 months from the priority date (see 37 C.F.R. 1.492 and 1.494). The account these items were charged to was unintentional and thought to be a viable account. The International Application was originally filed in English in the United States.

It is respectfully submitted that this should complete entry of the application into the national stage in the United States (37 CFR 1.494) and that national examination procedures may now proceed immediately.

The petition fee as set forth in 37 CFR 1.17(m) for \$1,320 should be charged to Deposit Account No. 04-1928. If this fee is insufficient or incorrect, please charge or credit the balance to the above-identified account. A duplicate copy of the fee sheet is enclosed.

Respectfully submitted,
